PUBLIC HEARING:

3. **#16-12 TAYLOR ROAD MIXED USE TENTATIVE TRACT, CONDITIONAL USE PERMIT, DESIGN REVIEW
EXTENSION APN: 044-123-059 & 068**

To extend the approval of the Tentative Tract Map, Conditional Use Permit, and Design Review of the Taylor Mixed Project to December 20, 2018 subject to the previous conditions of approval and the previous Mitigated Negative Declaration (MND)

The project consists of two existing parcels, to be divided into 45 lots (33 residential, 11 commercial and 1 open space) in order to construct 8 single story homes with detached garages, 13 two story homes with carriage units over detached garages, 3 duplexes with 6 units and 3 two-story and 3 one-story single family units with attached garages- totaling 46 units- and 19,020 square feet of commercial divided into 3 structures with 9 lots.

The Taylor Road Tentative Tract Map, Conditional use Permit and Design Review (Taylor Road Project) was approved by the Planning Commission on December 20, 2005 with an expiration date of December 20, 2007.

No substantial changes have occurred which necessitate changes to the conditions of approval by the Planning Commission for this project. Thus the extension may be granted, as per the State Subdivision Map Act that allows an extension, when subject to the previously approved conditions of approval.

RECOMMENDATION

The Planning Commission adopt Resolution #16-09 to extend the Tentative Tract Map, Conditional Use Permit, and Design Review to December 20, 2018 subject to the findings and the previous conditions of approval, and adopt the previous Mitigated Negative Declaration as per the California Environmental Quality Act (CEQA).

COMMISSIONER COMMENT:

Planner Robert King corrected a tying error, 11 lots instead of 9 lots, in the second to the bottom paragraph

Commission Kelley asked for clarification of extension only

Commission Onderko asked about water hook-ups

Richard Rozumowicz – Applicant

-clarified they are requesting a 2 year extension

-stated they have water hook ups and a sewer line in the front of the property. They had a will serve letter from SPMUD that has since expired, they have met with SPMUD and things are in process

Joan Phillippe, Interim Town Manager: Commented that she has met with SPMUD and was told will serve letter will be available in March 2017

PUBLIC COMMENT:

Dave Walter, Tudor Way: His home backs up to the project, stated that in 2011 a majority showed up to oppose the project.

- He voiced concerns over possible traffic impacts and drainage impacts

- Concerned about potential changes in the project

Manuel Azares, Tudor Way: Concerned about drainage issues

The applicant stated they have drainage plans, did a drainage study and any additional run off will go to underground retention basins.

COMMISSIONERS DELIBERATION:

Commissioner Wilson clarified that in the project was changed, the applicant would have to come back before the commission.

Commissioner Onderko noted that there are several conditions placed on the project to mitigate drainage issues during improvement of the property.

Motion was made the Planning Commission adopt #16-09 to extend the Tentative Tract Map, Conditional Use Permit, and Design Review to December 20, 2018 subject to the findings and the previous conditions of approval, and adopt the previous Mitigated Negative Declaration as per the California Environmental Quality Act (CEQA)..1 Kelly 2. Wilson; passed by the following vote:

Ayes: Hogan, Duncan, Onderko, Wilson, Kelly

Noes: None

Abstained: None

Absent: none

ADJOURNMENT: 8:00 PM

Signed, October 18, 2016 at Loomis, California.

Carol Parker, Administrative Clerk/Planning Assistant
